Feed Grand Slam to your market goats from 70 lbs. to finish. Start adding Original Glo or High Glo to enhance the overall show ring appearance and advantage.

Grand Slam is formulated for the championship drive. This High Noon Goat Finisher is made in a 1/8" pellet for easy consumption, less sorting and easy transition from Activator Developer. Grand Slam Goat lives up to its name with the advanced formulation of proven ingredients for the ultimate progression to get your goat to high noon. Grand Slam promotes the firm condition, muscle shape, overall healthy show ring appearance and the ultimate touch for the big show. Grand Slam contains 1.2% Ammonium Chloride to boost urinary tract health and 20.0 g/ton of Rumensin for better control of coccidiosis which promotes healthier goats. Always provide clean fresh water for better nutrient absorption and overall health of your goats so they can reach their full potential while striving for the Grand Prize. Incorporate High Noon Top Dresses, Original Glo, High Glo, Shime'em-up and Fresh Look to enhance your show ring success.
