

HIGHNOON FEEDS®
"IT'S WHAT YOU FEED THEM"

36% Sheep & Lamb HN110

Supplement for Sheep & Lambs

High Noon Feed's 36% Sheep & Lamb Supplement offers your sheep the proper nutrition for growth and maintenance. When blended with your own corn and other grain products it is a very cost effective way to feed your sheep. High Noon 36% Sheep & Lamb Supplement will provide a balanced supply of essential vitamins, minerals and proteins. Feed along with a good quality hay and/or pasture will help your sheep maintain a healthy digestive system and overall herd health. 36% Sheep & Lamb Supplement also contains Ammonium Chloride for a healthy urinary tract system. Please follow feeding direction to provide desired protein level and nutrition.
