

HIGHNOON FEEDS®
 "IT'S WHAT YOU FEED THEM"

Original Glo HN501

TOP DRESS

- A winning tradition for over 20 years
- The perfect balance of amino acids and chelated minerals for optimum health and eye appeal
- Promotes clean, firm condition, energizes muscle definition and athletic look
- Use in a holding ration with an outstanding nutritional advantage
- Promotes healthy skin and hair growth
- Unparallel and unmatched in formulation and feeding results

Original Glo has been the standard in feed additives by which others have tried to duplicate but cannot equal. Original Glo promotes a firm, clean condition and gives your livestock muscle definition that is highly desired in the show ring. Original Glo can also be used in your holding ration to help keep that muscle energized and hold the desired shape without adding weight. You can feed Original Glo at a higher rate and not worry about scouring or going off feed because the protein sources used in Original Glo will not burn your animal out. When feeding Original Glo to your livestock, you can also be assured that it has the perfect balance of amino acids and chelated minerals for optimum health and eye appeal.

ORIGINAL GLO IS NOT JUST A NAME. IT IS TRULY AN ICON FEED ADDITIVE THAT HAS BEEN USED IN THE SHOW INDUSTRY ACROSS THE COUNTRY FOR OVER TWENTY YEARS.

High Noon Top Dresses are the hallmark of feed additives. That is why so many feeders trust and feed our top dresses and make them a must in their feeding program. There is a reason why Original Glo has been used so successfully for over twenty years. It is still the Jewel of feed additives.
