SunDance Grower/Developer is a 1/8 pellet feed for better feed consumption without sorting. This highly nutritious formula has the ultimate blend of high quality bypass proteins, a great blend of fats and high quality fibers to maximize growth, lean muscle shape and promote overall health as your goats grow and mature. SunDance has the right blend of quality ingredients to continue developing the great touch and firm condition desired for early shows and sales. SunDance has 1.5% Ammonium Chloride to help boost urinary tract health for these rapidly developing goats and 20.0 g/ton of Rumensin for better control of coccidiosis. SunDance Grower/Developer can be feed up to about 75 lbs. of bodyweight or can be blended with ShootOut or Silver Bullet Finisher for your show goats to get the growth, condition and touch desired. Add High Noon Shine'em-Up Cactus Jacks or Monkey Munch if more condition is desired. SunDance works great for developing young does up to around 100 lbs. Follow SunDance with High Noon ShootOut or Silver Bullet Textured Show Goat and High Noon Top Dresses to put the finishing touches on your show goats. Feed continuously from 50 lbs to 75 lbs of body wt. for mkt. goats promoting growth, muscle development and a firm condition.
